FOR
A GREAT
FIRST
IMPRESSION

Meet the final piece of the Forbury Place Estate, Reading's newest and most prestigious urban business district. With its unrivalled location in close proximity to the station, No.2 Forbury Place is a high-profile statement of intent. Featuring the town centre's largest floorplates of Grade A office space, plus excellent car parking and exceptional amenities, it's a place for businesses who demand the best of everything.

WORKPLACE DESIGN

Designed to deliver a welcoming experience to you and your guests, No.2 Forbury Place's hotel-style reception and concierge service create the perfect first impression. Connected to the spacious and light-filled central atrium, the fully Wi-Fi-enabled reception features multiple seating areas, plus workbenches and coffee facilities. It's the ideal spot for a quick 'touch down' or an informal meeting.

The building is served by six destination controlled lifts, enabling access to Grade A offices which provide abundant light, space and flexibility. The floor to ceiling windows and light-filled central atrium ensure that natural light is maximised throughout. With large floorplates that can easily be split and configured to your requirements, you'll find a home with cutting-edge versatility to suit your business needs.

In the basement you'll find gym-style shower and changing facilities, plus car parking, electric charging points, secure cycle spaces and bike lockers. Every amenity has been carefully designed for your team's physical and mental wellbeing.

ON-SITE AMENITIES

Everything your business needs is right here. As well as our expert concierge service and relaxing Wi-Fi-enabled atrium, in The Forbury Kitchen at No.3 you'll find a well-stocked cafe serving a tempting selection of hot and cold food and drinks throughout the day.

For two-wheeled commuting, you'll find a wealth of facilities. The basement is home to 255 cycle spaces including 57 folding bike lockers, while a further 16 Brompton bikes are available for our occupants' use. We also provide bike servicing facilities and a cleaning station to keep your bike in tip-top condition. If you're running low on battery, you'll find 12 charging lockers for tablets and phones. With gym-style showers and changing facilities including ironing boards and hair dryers, you'll be looking your best in no time at all.

FOR THE FUTURE

SUSTAINABILITY

The green credentials of any building are extremely important to an occupier, to help maintain efficient running costs.

This has been at the forefront of the design for No.2 Forbury Place and the building has achieved the following:

DESIGN

The design of the building exceeds the requirements of Building Regulations Part L 2A 2010.

Passive design measures have been incorporated into the development, including a design to achieve good day lighting factors, specifying the U values of the thermal elements and controlled fittings to be improved over the minimum Building Regulation requirements. The building's specification has been designed to include energy efficiency measures and Low and Zero Carbon technologies such as air source heat pumps, Micro CHP (Combined Heat & Power) unit and photovoltaic panels to help minimise CO2 emissions associated with operational energy consumption.

BREEAM & EPC RATING

- The building has achieved a BREEAM for Offices 2011 rating of "Excellent" • The building has achieved an EPC rating of "A" (22).

ENERGY SAVING FEATURES

- Lighting: daylight dimming and PIR control
- Air source heat pumps
- Rainwater harvesting
- Electric car charging points
- Photovoltaic panels
- Green roof
- Low water volume flush WCs
- Low water volume taps
- Energy metering and sub metering
- Highly efficient façade
- Mechanical ventilation heat recovery
- Improved specific fan power (SFP's)
- Energy efficient luminaires

ADDITIONAL BENEFITS

- Excellent public transport connections
- Provision of cyclist parking spaces
Brompton lockers, gym standard showers and changing facilities
- Sustainably sourced timber
- Production of a building user guide
- Extensive public realm and landscaped areas
- Landscaped terraces
- Considerate Constructors award
